By signing this authorization form, I (hereafter "Buyer") agree to the following terms and conditions:

1. Every item is sold "as-is" and "where-is." Neither the auctioneer, nor the seller make any warranties or representations of any kind or nature. All sales are final. Catalog descriptions are for simple identification purposes only; no representations are made as to authenticity, age, origin or value. Buyer should rely solely on his/her own inspection and judgement when bidding. Should a dispute arise after the auction, auctioneer's records shall be conclusive in all respects.

2. Buyer will be responsible for the total purchase price, including all applicable taxes. Only Visa, MasterCard & Discover Card will be accepted as payment for online auction bidders. If you are the highest bidder at both the online & live auctions, the auction company will charge your card for the full amount due as soon as the auction is completed. The buyer will then be notified via phone and email of all items purchased.

3. All items purchased must be removed by the buyer no later than one (1) week after the auction closes, unless other arrangements are made with the surplus coordinator. Failure to remove your purchases as specified or within the time agreed upon, will result in forfeiture without refund and ownership will revert back to the seller. The seller and or the Auction Company do not provide loading services and assumes NO responsibility for any accidents while on the seller's property.

4. Buyer agrees to pay any and all charges and expenses incurred by reason of any breach of terms & conditions of auction or sale or in case of default, including, without limitation, reasonable attorney fees, as well as any dollar deficiencies which may result in the resale of the property, and the cost of re-marketing said property.
